Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted and procedure performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results, prepared in accordance with recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act, as amended, read with relevant rules issued there-under and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
