

Coal shortage: CIL puts blame on power plants

INDRONIL ROYCHOWDHURY
Kolkata, August 30

EVEN AS COAL India (CIL) is saddled with a piteous stock of 53 million tonne and has supplied 202 million tonne to the power sector between April 1 and August 29 this year — 27% and 8% more than the corresponding period in 2020 and 2019 respectively — shortage of coal in power plants aggregating generation of 90,000 MW has made the PSU jittery.

Despite overdues of ₹17,000 crore from gencos generating 20,000 MW as of July, CIL has not stopped supplying coal to power plants, though supply is restricted to the minimum quantity required. State gencos of Maharashtra, Rajasthan, Madhya Pradesh and West Bengal have long pending overdues.

A CIL official told FE that many power plants, including those of NTPC, regulated their coal intake between November 2020 and June 2021 since they were producing less due to low demand for power. This created a stockpile of coal at their plant heads. After the demand for power started picking up, the

Despite overdues of ₹17,000 crore from gencos generating 20,000 MW as of July, CIL has not stopped supplying coal to power plants

power plants started replenishing their stock instead of creating a buffer and ultimately fell short on coal.

"We have been writing to the power gencos since October 2020 to regulate and build up stock at their end so that generation does not suffer during the summer and monsoon of FY22. This didn't elicit any response from their end," a CIL executive said, adding that CEA has not held CIL responsible for this shortage.

The PMO has already taken cognisance of the matter and an inter-ministerial meeting between the coal and the

power ministries is being held.

The CEA projected that the power sector required 1.31 MT daily in July, but the offtake from the power sector was 1.26 MT a day. Despite growth of 8% and 12% in power generation in the third and fourth quarters, respectively, in FY21, intake from power sector had been 118.7 MT and 127.61 MT respectively, less by 12.72 MT and 19.67 MT, respectively, against the projected demand.

Coal stock at the power plants was 24 MT at the end of July, almost on a par with the previous five years' average stock position.

"The stock could have been higher if there was no regulated intake. There are no hindrances in supplies on CIL's end as it has a buffer stock, steady output and exposed seams, which keep it ready for supplies to meet any demand surge in power," the CIL executive said.

Supply to the power sector from April 1 to August 29 this year was 202 MT, as against 159.6 MT during the same period last year and 187.8 MT in 2019. Supply to the power sector has therefore been more than the pre-Covid period, the executive said.

Future-RIL deal: Tell exchanges to withdraw observation letters, Amazon urges Sebi

PRESS TRUST OF INDIA
New Delhi, August 30

US E-COMMERCE GIANT Amazon has written to Sebi requesting the market regulator to direct stock exchanges to withdraw the "Observation Letters" issued related to the proposed ₹ 24,713-crore Future-Reliance deal.

The company has also urged Sebi to take necessary action to comply with the recent Supreme Court judgment related to the deal.

In its letter dated August 17, Amazon said the Supreme Court held on August 6 that the order of the Singapore-based Emergency Arbitrator in the case was an "order" referable to and made under Section 17(1) of the Arbitration and Conciliation (A&C) Act. Thus, the arbitration order can be enforced under the provisions of Section 17(2) of the Act.

"In light of the directions... Amazon requests you to take all such action as is necessary to comply with the Supreme Court Judgment, and to fur-

ther ensure that no communications subsist or emanate which are at variance with the Supreme Court judgment," the letter, a copy of which was seen by PTI, said.

Amazon declined to comment on the matter, while e-mails sent to Future Group did

not elicit any response.

In January, Sebi had given its go-ahead to Future Group's scheme of arrangement and sale of assets to Reliance with some riders, based on which the BSE granted its "no adverse observation" report for the deal.

'Digital firms may enter Nifty soon'

SOME INTERNET-BASED COMPANIES are expected to enter equity benchmark Nifty over the next few months, Navin Killa, managing director and head of Asia telecoms, me-

dia and internet at UBS Global Research, said on Monday in a conference call.

The country has created around 20 unicorns this year so far.

OATH-TAKING IN SC HALL

CJI to administer oath of office to 9 SC judges today

PRESS TRUST OF INDIA
New Delhi, August 30

NINE NEW JUDGES, including three women, will be administered oath of office as judges of the Supreme Court by Chief Justice of India (CJI) NV Ramana on Tuesday.

It is for the first time in the history of the apex court when nine judges will be taking oath of office at one go and swearing-in ceremony will be held in the auditorium of the Supreme Court's additional building complex. Traditionally, the oath of office is administered in the CJI's court room.

With the swearing-in of the nine new judges on Tuesday, the strength of the Supreme Court will rise to 33, including the CJI, out of the sanctioned strength of 34.

"... the venue of the ceremony is shifted to the auditorium. This is done keeping in view the need for strict adherence to Covid norms," said a press release issued by the apex court's public relations office.

It said the ceremony will be telecast live on DD News and DD India and the live webcast

will also be available on the home page of official web portal of the Supreme Court.

The nine new judges include Justice Abhay Shreeniwas Oka (who was the Chief Justice of the Karnataka High Court), Justice Vikram Nath (who was the Chief Justice of the Gujarat High Court), Justice Jitendra Kumar Maheshwari (who was the Chief Justice of the Sikkim High Court), Justice Hima Kohli (who was the Chief Justice of the Telangana High Court) and Justice BV Narasimha (who was a judge of the Karnataka High Court).

Justice C T Ravikumar (who was a judge of the Kerala High Court), Justice MM Sundresh (who was a judge of the Madras High Court), Justice Bela M Trivedi (who was a judge of the

Gujarat High Court) and P S Narasimha (who was a senior advocate and former Additional Solicitor General) will also be administered oath of office by the CJI.

Justice Nagarathna is in line to become the first woman CJI in September 2027. Justice Nagarathna, born on October 30, 1962, is the daughter of former CJI S Venkataramiah. Three of their nine new judges — Justices Nath and Nagarathna and Narasimha — are in line to become the CJI.

Justice Nath is in line to become the CJI upon retirement of sitting apex court judge Justice Surya Kant in February 2027. Justice Nath would be succeeded by Justice Nagarathna, who would have a tenure of over a month as the head of the judiciary. Narasimha would succeed Justice Nagarathna as the CJI and would have a tenure of over six months.

The apex court collegium had on August 17 recommended these nine names for appointment as judges of the top court. Later, President Ram Nath Kovind had signed the warrants of their appointment as apex court judges.

Hold 10% in gold as currencies will be devalued, says Mobius

informed accordingly.

A discussion with BPF as its leadership has been expressing their unwillingness to remain a part of the 'Grand Alliance' on various platforms, she said.

The state Congress president was given full authority to make a decision on the matter and it was decided to inform the high-command the decision to break ties with the party, Sharma said.

The meeting also endorsed the earlier decision of giving full authority to the state president, working presidents and chairman of the legislative assembly committees constituted for the forthcoming by-polls to take decisions on election strategy and candidate selections, she said.

To fight the crisis, central banks and governments worldwide have unleashed an unprecedented wave of monetary and fiscal stimulus, boosting balance sheets at the Federal Reserve and elsewhere and straining state finances. Spot bullion, which traded near \$1,816 an ounce, hit an all-time high of above \$2,075 about a year ago.

NSE co-location case: Sebi slaps ₹6-lakh fine on Parwati Capital Market

CAPITAL MARKETS WATCH-DOG Sebi on Monday imposed a penalty of ₹6 lakh on Parwati Capital Market in the NSE co-location case.

Sebi had received multiple complaints of alleged malpractices with respect to the co-location facility being provided by NSE. In the wake of the allegations of preferential access to tick-by-tick data feed given by NSE to certain trading members, the matter was taken up for investigation. Parwati Capital Market was one of the trading members identified for comprehensive investigation.

As per NSE's co-location guidelines, secondary server was provided by the exchange in order to enable members to connect to the server in case of disconnection or failure to connect to the primary server.

The rules provide that trading members should not routinely connect to the secondary server.
