Aurionpro announces the successful implementation of Murex Version Upgrade for the Leading Malaysian Bank.

Aurionpro announces the successful implementation of the version upgrade of Murex application at for one of the leading banks in Malaysia. Aurionpro, having a team of experienced resources with the requisite skills & experience, successfully completed implementation with smooth transition to the higher version of system post go-live.

Commenting on to this Murex implementation **Ms. Soni Hemnani** - Managing Director of the division, said that "We are pleased to announce this successful implementation. In the wake of disruptions caused due to pandemic, it was our first 100% remote implementation. This will strengthen our position as a trusted partner with abilities to execute complex upgrade programmes. With the robust team, led by experience leaders & subject matter expertise, we are best placed to grab similar opportunities in this space".

Ms. Abhiruchi Khare - Senior Director said "The big day has finally arrived!! We are delighted with the success of one of the key projects. Aurionpro team pioneered in delivery excellence and quality assurance always ensures its clients' expectations and is committed to deliver at our best."
