Aurionpro announces order win in Data Centre Segment

13th January, 2022

Aurionpro is pleased to announce order win from TP Western Odisha Distribution Limited (**TPWODL**), A Tata Power and Odisha Government Joint Venture, for setting up & operationalizing of its data centre in Odisha. The Project will be delivered over six months in two phases consisting of supply, installation, testing and commissioning of MEP (Mechanical, Electrical & plumbing) works and furniture for SCADA control and data centre at TPWODL. The project is valued close to INR 8 Crores.

Mr. Bhaskar Bhattacharya, EVP Enterprise Business, while announcing this win stated that *"this win will enhance our market position and will help us establish as trusted player in data centre consulting space. Further, with the strong team of skilled resources we are poised to grab more opportunities in the rapidly growing data centre market."*
