Murex upgrades partnership with Aurionpro – assigns 'Business Partner' status

Aurionpro Market Systems Pte Ltd., an Aurionpro subsidiary, is pleased to announce upgradation of its partnership by Murex as '**Business Partners**'. It's an important milestone which has been achieved in a short duration of time. Our Murex partnership started in **September 2018** as Associate Partner. This achievement is attributed to our robust team of trained resources and efforts to grow Murex practice across the globe.

With this upgrade, Aurionpro will figure on Murex website under Partnership section, <https://www.murex.com/partners/system-integrators> and this will help us jointly participate with Murex on **new projects** in **newer geographies**.

Ms. Soni Hemnani, Head – Murex Business at Aurionpro said that "We are squarely focused on growing our Murex practice globally and are very excited with this upgrade. Our heartfelt gratitude to Murex and everyone for their support and dedication that has led to this achievement. This partnership will entitle us to host Murex environment set up and in turn will enable us to **increase our Learning & Development capabilities** & eventually help our delivery team in upscaling Murex skillset & delivering quality solutions to our clients."
